Please list **three** passages from *your Personal Bible Reading* conducted this week (for example: Luke 11:1-15; Psalm 82; etc.) together with any observations, principles, or questions that came to mind during your reading.

Just a reminder here ... 1 Peter 2:1-2 says that as believers we are to 'long for the pure milk of the Word.' Many of you need to develop a regular Bible-reading program. Your parents and pastors can help you here. I am available to help as well. Here is a link to a great set of tools: <http://www.bibleplan.org/mcheyne.htm> Some people like to begin in Genesis 1:1 and read through to Revelation 22:21. Others prefer to read a passage from the Old Testament and a passage from the New Testament every day. Please, please – for your own sake – come up with a Bible-reading plan and start this week. Please put your initials here _____ so that I know that you read this.
