OliveTree High School Grading and Auditing Policy

The intention of Olive Tree High School is to be college preparatory. We want the students to easily make the transition to college. Therefore, we have certain standards that we expect the students and parents to meet. Our goal is to serve you by preparing students for real life.

Standard #1 The parent is contracting with OliveTree to teach a particular subject. Therefore, the student is expected to complete all the work assigned by the teacher on time.

Standard #2 The teacher has final authority for OliveTree grade assignment. Some teachers may give a certain prescribed percentage of work and grade for the parent to oversee at home. That portion of the grade would then be turned into the teacher for final grade consideration. Parents, as overseers of their student's education, may use an OliveTree grade as a component of a larger assignment as they see fit.

AUDITING - If a family is not interested in receiving a formal grade, the student can audit the class (full tuition applies). This is a good option for a student who could benefit from the teaching and interaction of a classroom but needs to have assignments overseen by the parent. Teachers will not grade assignments. Parents will assign a grade for work completed.

LATE WORK - If a student has a legitimate "excused" absence, the work will not be given a "late" grade. *Example of excused:* Sickness, death in family, pre-announced family vacation. *Example of not excused:* non-prearranged absences excluding sickness and family emergencies.

If the student is expected to miss an OliveTree class due to prearranged vacation or prearranged conflict, or an excused absence, then a make-up deadline needs to be discussed with the teacher, and the new deadline must be met to avoid a late grade.

If a student misses a deadline for a non-excused absence, the penalty is to lose one letter grade (10 pts.) on the late assignment. Teachers may use discretion to increase penalties for repeated offences. For an excused absence, if the student misses an agreed upon deadline for make-up work, the penalty is also to lose a letter grade on the assignment.

There is always a penalty if an assignment is late for any other reason than an excused absence. There is no sanction if the student has a pre-arranged absence and makes up the work on the agreed upon timetable.

PLAGIARISM - In preparing students for real life and for integrity purposes, teachers will decide the sanctions imposed for plagiarism on a case-by-case basis.

Grade Scale

A= 90-100, B= 80-89, C=70-79, D= 60-69, F= 0-59

Please contact your teacher if you have any questions about your student's grade.
